There is a charge of £35.00 per week (£7.00 per day), which is payable at the beginning of the week. This covers cost of materials being used and drinks for your child during the club. If there is more than one child in the family attending a small reduction will apply.

Please be advised that charges also apply to non-attended sessions.

The children will be involved in various activities, which include reading books, drawing and playing various different games.
