Below are just some of the things Haringey is currently offering:

Workshop: SEND improvement plan

We would like your input and understanding to create plans to improve:

- co-production with parents/carers and young people
- our Autism diagnosis process and support
- the Statutory Assessment and planning process

The workshops are:

1. Co-Production
2. Autism Diagnosis and Support
3. Education, Health and Care Plans

Workshop: Preparation for adulthood

The purpose of the workshop will be to evaluate progress made to date, identify successes and strengths and plan for the next stages for development. This will include a focus on what outcomes we want to see for children and young people across Haringey.

We will be working with partners, including parents of young people with SEND, to facilitate the workshops and to get your views on the preparation for adulthood pathway, which will help to develop a clear picture of where we are now and to develop our ambitions about next steps which will form the basis of a Preparation for Adulthood Strategy.

What we want to know from you:

- What do you think is working well?
- What do we need to do differently?
- What are the next steps?

The workshops will be as follows:

- Children's and Adult Social Care
- Health
- Schools, Early Years and Post-16 options
- Young People's Engagement
- Family Engagement

**Free consultations with an educational
psychologist**

Remembrance Day

Thank you to everyone who made a poppy or a wreath for Remembrance Day this year. Here are just a few of the amazing creations that our children made.

We also raised £35 from selling poppies which will go to the Royal British Legion.

Christmas is coming to Haringey!

Christmas is coming early to Haringey and Santa has a very special message for you. He will be popping up all over the borough this year. Come see him in his grotto and young ones will receive a free gift. There are festive markets, carol singing, pop up film screenings, food and drink, crafts fairs, Christmas lights and much more. Come join in the Xmas family fun.

The Christmas spirit kicks off in Muswell Hill this Saturday 20 November from 10am-5pm.

Book the free tickets using the link below:

STARS OF THE WEEK

The children below have demonstrated exemplary attitudes and behaviours in school for the following reasons:

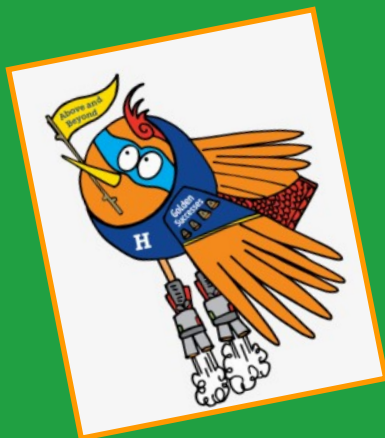

Andrews	Stoyan	<i>For challenging yourself in maths, using the subtraction symbol and using different strategies to solve problems.</i>
Andrews	Freddie	<i>For making excellent observations in a history lesson– talking about things that Imari Inclusion would be fond of.</i>
Rashmi	Ismail	<i>For showing excellent behavior for learning all week! Keep it up!</i>
Rashmi	Ovion	<i>For always being respectful like Ronnie respect! And always trying hard to concentrate on the carpet ready to learn!</i>
Jeffers	Roni	<i>For always sharing interesting and exciting ideas with the class and showing how much learning you do at home.</i>
Jeffers	Cassius	<i>For being like Leila and seeing the importance and Love in reading– so amazing to see.</i>
Ringgold	Caela	<i>For writing an excellent version of our 'Claude story' this week. She is really pushing herself and has created a great piece of writing.</i>
Ringgold	Chisem	<i>For trying her best to take part in all activities. She has settled into school now and we are so proud of her!</i>
Akala	Youssef	<i>For being a 3 times table champion! Well done!</i>
Akala	Julia	<i>For writing a fantastic non-chronological report in her extended write this week. Well done!</i>
Dahl	Nova	<i>For having high aspirations in class this week. Well done for sharing your ideas, following instructions and completing some lovely work.</i>
Dahl	Arlo	<i>For his positive approach this week. He has been just like Hetty and Leila and been super successful.</i>
Mian	Amber	<i>For participating in class discussions, it has been lovely to see her trying so hard.</i>
Mian	David	<i>For his enthusiasm towards writing a non-chronological report.</i>
Kerr	Ridwan	<i>For using excellent creative language in his narrative, he always ensures to include what is asked and goes above and beyond to research new vocabulary at home!</i>
Kerr	Xaela	<i>For excellent work on Roman gods and goddesses and mythology– well done for demonstrating high aspirations with your comic strip!</i>
Coelho	Eida	<i>For always having enthusiasm for learning and growing just like Gerty, resulting in a great written story yesterday.</i>
Coelho	Kuzey	<i>For channeling Gerty and Ronnie this week by making a real effort with his learning behaviours.</i>
Magorian	Gyulshen	<i>For being like Leila in reading this week– she is always ready to ask questions and make connections– well done!</i>
Magorian	Clara	<i>For being like Leila and Gerty In maths this this week– it is great to see you feeling confident to share you ideas!</i>
Blackman	Nilayda	<i>For her positive attitude to learning. You are resilient like Gerty and work hard like Leila.</i>
Blackman	Leon	<i>For your Hetty-high writing. You wowed with your choice of language and figurative language!</i>
Zephaniah	James	<i>For having a super growth mindset and improving his attitude to learning over the last two weeks.</i>
Zephaniah	Abdi	<i>For having much improved focus in lessons. He has clearly used his growth mindset!</i>

Updated Coronavirus Response

Following updated advice from Haringey Public Health, we will be slightly changing our response to confirmed cases of COVID-19 in the school as follows:

- Children from reception age or above identified as a close contact of someone who has tested positive for COVID-19 will be asked to take a Lateral Flow Device (LFD) rapid test as soon as it is possible to do so (i.e. after school) and before returning to school – and repeat the LFD test 3 days later.
- Close contact staff members will also be told to take a Lateral Flow Device (LFD) test as soon as it is possible to do so (i.e. after school) and before returning to school and every day for 7 days.
- If there are two or more cases within the same class, we will ask the entire class (staff and pupils) to take a PCR test and to take an LFD test as soon as it is possible to do so – and repeat the LFD test 3 days later.
- Families can get LFD tests for free from pharmacies and libraries, but we can provide from our own stock if absolutely necessary.

Please continue to work with us as we adapt to changing infection rates, following advice from Public Health.

Every Day Counts!

Our whole school attendance target is 96%

Good attendance will help your children do there best in school, college and at work, see our tips below.

- **Your children can suffer academically** if they miss 10 percent of the school year or about 18 days. That can be just one day every two weeks, and that can happen before you know it.
- **Some absences are unavoidable.** We understand that children will get sick and need to stay home occasionally. The important thing is to get your children to school as often as possible.
- **Sporadic absences, not just those on consecutive days** of school, matter. Before you know it – just one or two days a month can add up to nearly 10 percent of the school year.
- **If too many absences occur, it is still a problem whether they are excused or unexcused** because they represent lost learning time in the classroom.
- **Attendance matters as early as nursery.** Studies show many children who miss too many days in kindergarten and first grade can struggle academically in later years. They often have trouble mastering reading by the end of third grade.
- **Nursery is a great time to start building a habit** of good attendance. Young children with poor attendance in preschool also lose out on valuable learning time and if chronic absence continues into kindergarten, it can pull down academic achievement.
- **Families should avoid extended holidays that require your children to miss school.** Try to book holidays during the school holidays.
- **For younger children, you can set a regular bedtime and morning routine.** Try to ensure they get 9 to 11 hours of sleep.

ATTENDANCE MATTERS

WEEKLY REMINDERS

Your School Photograph is Ready!

Vancols Photographers are pleased to confirm that the School Photographs are ready to view using the QR code on your proof card.

If you have already scanned the QR code on the Proof and registered you will receive an auto-email notification.

If you have not done it yet, don't panic, you can still view it by scanning the QR code on your Proof and following the instructions.

If by chance you have not received your Proof or it has been lost you can call Vancols Parent Line on 01206 273711, you will need an admission number from the school.

The website for these codes is getphotos.co.uk

The online cut-off date for orders to be placed for free postage back to the school is 18th November 2021

Thank you.

Please turn off your engines!

Now that we are approaching the colder months, to avoid polluting our environment please ensure that all car engines are turned off when waiting to pick up or drop off your children. We take pride in our neighbourhood and it is in our best interest to take care of it.

Thank you.

Full Time Nursery Funding 30-hour code renewal

Could you please check your code eligibility status and renew it if needed.

If your grace period is ending this term and your code has not been renewed in time we won't be able to assist you with the full-time nursery place from next term.

Please contact the office if you have any questions.
Thank you

A Reminder to pay school fees

Dear Parents,

Please ensure that school fees are paid in advance either per week or per term.

This can be done via Scopay. If you haven't already please ensure that you set up a Scopay account.

Thankyou for your cooperation.

Reception Admissions

Starting Primary School in 2022 – Reception Admissions

We would love to welcome your child to join Lancasterian Primary School in September 2022.

If you would like any information about our school, you can visit our school website <https://www.lancasterianprimary.co.uk/>

All children starting in reception class at Lancasterian Primary School in September 2022 will receive the following free of charge:

- a Kindle Fire tablet (or equivalent) to support with home learning, a school jumper and a school bag.

If your child was born between 1 September 2017 and 31 August 2018 you will need to apply for a reception school place for September 2022.

You must submit your application by 15 January 2022

Any applications received after 15/01/2022 will be processed after all those who applied on-time, and families could potentially miss out on a place at their preferred school.

If you are not able to apply online, please contact school admissions to request a paper form however there must be a legitimate reason for you not applying online. This form must reach school admission team by 15/01/2022.
