Coronavirus Update

- We continue to follow advice from the Department for Education and Public Health. Current advice for children and staff is that if they or a member of their household has a new continuous cough and/or high temperature then all household members must stay at home and not leave the house for 14 days. The 14-day period starts from the day when the first person in the house became ill.
- We currently have no confirmed cases of Coronavirus at the school but a number of children and staff are away from school as a precautionary measure following the advice above.
- Our school emergency action plan is in place which is being updated regularly, as the situation evolves. This ensures that we are clear about what to do both whilst the school is open and if it closes. We continue to educate the children on how to keep themselves as safe as possible (mainly through good hand hygiene) and the school is being thoroughly cleaned each day.
- If the school closes, we will forward instructions through ParentHub about how your child can access work. This will be done through the school website.
- If your child has been kept off school due to Coronavirus related symptoms or has had exposure to an affected person then please call the school to speak to a member of the leadership team before they return.
- Further information and advice can be found at www.gov.uk/coronavirus

Cancelled - Coffee Morning with Mr Murphy

In the interests of social distancing, the coffee morning with Mr Murphy on Wednesday 25th March 2020 has been cancelled.

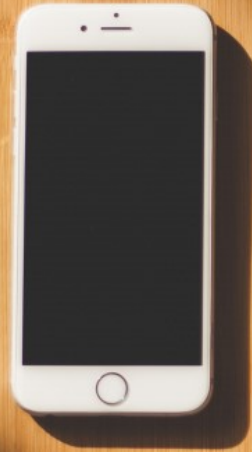

We will pick this up again once the current Coronavirus situation has settled down.

On Thursday 7 May 2020, the school was scheduled to be closed due to the local elections; however as these have now been postponed the school day will continue as normal, with all after-school club provisions operating as normal, unless the school is provided with different guidance by the government at this time

Please ensure you arrive ontime to collect your child(ren) as late fees will apply as per the school's late collection policy .

Keeping Healthy at Lancasterian

“When I grow up, I want to be an iPhone so my mum will talk to me”

~ A London pupil

MAKES YOU THINK...

Talk about your child's device use, but remember yours, too.

Family Cooking

Family cooking took place last Friday;
The children enjoyed using their cutting skills to prepare
vegetables and cooked an amazing healthy version of
spaghetti bolognese.

Look out for more family cooking sessions which will be taking
place in the near future.
