Starting Primary School in 2022 – Reception Admissions

We would love to welcome your child to join Lancasterian Primary School in September 2022.

If you would like any information about our school, you can visit our school website <https://www.lancasterianprimary.co.uk/>

All children starting in reception class at Lancasterian Primary School in September 2022 will receive the following free of charge:

- a Kindle Fire tablet (or equivalent) to support with home learning, a school jumper and a school bag.

If your child was born between 1 September 2017 and 31 August 2018 you will need to apply for a reception school place for September 2022.

You must submit your application by 15 January 2022

Any applications received after 15/01/2022 will be processed after all those who applied on-time, and families could potentially miss out on a place at their preferred school.

If you are not able to apply online, please contact school admissions to request a paper form however there must be a legitimate reason for you not applying online. This form must reach school admission team by 15/01/2022.

Inclusion Ambassadors

Autumn 1 Inclusion Ambassadors

Well done to the following Y1-6 children who were chosen by their teachers as Inclusion Ambassadors at the end of last half term. These are children who consistently go out of their way to include others in both work and play and make new children feel welcomed at the school. What a fantastic achievement!

Imari Inclusion

Imari Inclusion loves getting everyone involved. With his eight arms he's always ready to help others.

He loves to explore his environment seeking out new friends. As a really caring value he's quick to offer a hug or kind word to those who might feel vulnerable or upset. He will share his toys and equipment with others to cheer them up and help them to play games together well. He knows that talking turns is so important and he loves to sing out, 'Show you care; play fair!'

Imari's most special possession is his wonderful jar of treasured shapes. They come in all different sizes, forms, colours and patterns. They can all do different things individually but when they come together they create dazzling results. They remind him of everyone at school, all their unique differences and how remarkable they can be when they are together. He loves to play with them all.

Imari knows that we're all different with our own strengths, weaknesses, interests and personalities. That's what makes us all special. He celebrates our unique cultures and beliefs with the beautiful, contrasting patterns on each of his arms. He's so proud of them and how they come together to make him unique.

Lancasterian Primary School

Would like you to join their channel on Parent Hub.

Please follow the instruction below once your child has been admitted to school (on the 1st day of attending the school).

Just tap "Add a School" in the app and enter the handle below...

@ LancasterianPri

The Parent Hub app is FREE to download and use.

What is Parent Hub?

Parent Hub is a FREE app that helps keep you up to date with what's going on at school. You'll receive messages, pictures, documents and newsletters, all in one handy place.

Instructions for Parents

1. Download the Parent Hub app from your app store (iPhone or Android).
2. Create yourself an account.
3. Choose "Add a School" and enter the school handle (above).

Visit www.parenthub.co.uk to find out more

To all new and existing parents:

Please ensure that you sign up to parent hub if you haven't already done so. The app ensures that you keep up to date with your child, the latest events and school correspondence.

STARS OF THE WEEK

The children below have demonstrated exemplary attitudes and behaviours in school for the following reasons:

Andrews	Gabbi	<i>For rising to the challenge, like Hetty High Aspirations and independently tackling the extension challenges in English.</i>
Andrews	Tahani	<i>For not giving up in English, and writing her own sentences with her own ideas– very Gerty Growth Mindset.</i>
Rashmi	Nermin	<i>For showing excellent listening skills and sharing great facts about the trees in Science. Keep it up!</i>
Rashmi	Xavien	<i>For always listening to instructions and being ready for learning like Leila Lifelong and always trying to answer questions even when you are unsure!</i>
Jeffers	Angelo	<i>For consistently trying to do the right thing and work independently at his table.</i>
Jeffers	Azra	<i>For trying her hardest in Maths this week doing column addition and subtraction.</i>
Ringgold	Ayaz	<i>For using his growth mindset in Maths to add and subtract numbers using the column method.</i>
Ringgold	Sadiya	<i>For always supporting her learning partner in class. She never gives up and always aims to do her best.</i>
Akala	Farhan	<i>For his attitude towards learning and enthusiasm towards class discussion. Well done!</i>
Akala	Victor	<i>For always being prepared and demonstrating ready to learn behavior just like Leila. Well done!</i>
Dahl	Kian	<i>For having such high aspirations in all he does. He is becoming a mathematical whiz!</i>
Dahl	Xavier	<i>For his positive contributions in class. His improved focus has helped his understanding.</i>
Mian	Seren	<i>For not giving up in Maths. She has been aiming so high and using her growth mindset!</i>
Mian	Beka	<i>For his amazing attitude towards his learning. It is wonderful to see you so positive about learning.</i>
Kerr	Arda	<i>For his positivity and growth mindset in Maths. He persevered and now he is a whizz at his 6x tables!</i>
Kerr	Mika	<i>For her wonderful curiosity in all lessons. She never gives up and stays engaged as well as encouraging others to do the same.</i>
Coelho	Saabir	<i>For having a great attitude to learning daily, wants to improve and unafraid of putting in the effort to achieve his high aspirations.</i>
Coelho	Sumaiyah	<i>For always having a positive attitude to learning. She is happy to grow like Gerty and is unafraid of a challenge.</i>
Magorian	Miki	<i>For creating a fantastic parachute in Science this week– she worked brilliantly with her partner and was like Gerty as well, she kept on trying!</i>
Magorian	Arafat	<i>For creating a fantastic parachute in Science this week– he worked brilliantly with a partner and was like Gerty as well, he kept on trying!</i>
Blackman	Lela	<i>For being like her namesake and showing patience with your learning, taking time to ensure she makes progress.</i>
Blackman	Liam	<i>For not giving up in his learning and asking for help when needed. His growth mindset in maths has been great.</i>
Zephaniah	Sezgin	<i>For not giving up on his long division and becoming a master of the strategy. Great growth mindset!</i>
Zephaniah	Otis	<i>For having an amazing growth mindset with his long division. He found it really tricky at first, but he didn't give up.</i>

Coronavirus 10 Day Isolation Reminder

Please remember that if your child tests positive for Coronavirus then they must isolate at home for at least 10 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste.

The 10 day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal.

If your child has symptoms of Coronavirus (cough, temperature or change in sense of taste/smell) but you choose **not** to take them for a test, then the same 10 day isolation period from when they first had symptoms applies.
