The sports clubs can only run if there is a minimum of 10 children registered for each club

The clubs are available at www.scopay.com.

We do not accept cash in the office.

We accept tax-free childcare payments for the clubs.

NOTE – the Music Tech Club is run during lunch time therefore tax-free childcare cannot be used to cover the cost.

If you wish to use tax-free childcare, please pay £0.50 for the club and send remaining balance via tax-free childcare account – please follow instruction below.

1. Log in to your Scopay account.
2. Under the Trips and Events tab, proceed to book the club of your choice.
3. Add the club to your basket and begin the checkout process, paying just £0.50 to allow the booking to come through.
4. Afterward, please send the remaining balance to our bank account using your Tax-Free Childcare.

Please email the school office with your child's reference number. If you have made payments covering multiple clubs, please also include a breakdown of how the payment should be allocated to each club.

This information will allow us to allocate a single payment across multiple clubs accurately and efficiently.

Please note that refunds for payments made through the Tax-Free Childcare system are not straightforward and can be very time-consuming to process.

If you need to cancel a booking or change your mind, we strongly recommend leaving the balance on your child's account as credit. This credit can then be used towards payment for any future clubs or school trips.
