

Lancasterian Primary School Vision

We will make a fairer society.

A society where everyone can reach the top of the mountain, because all of us understand that achieving ambitions includes learning from mistakes.

A society where everyone has the skills and knowledge to open any door, because all of us break down barriers to opportunity.

A society where everyone improves the world we share, because all of us seek creative solutions to the issues we face together.

To do this, we will make the best school.

A school where every child embraces learning as a demanding lifelong journey, because all of us show them how to love challenge and growth.

A school where every child feels proud of who they are and their own uniqueness, because all of us celebrate difference.

A school where every child leaves the gate with fond memories, a creative outlook and a sense of excitement for the road ahead, because all of us have put them at the centre of everything we do.

Goodbye Wiltshire Class!

To all the children in Wiltshire Class:

I think you're very special
And I just want you to know,
This year has been amazing,
I'm so sad to see you go!
We've done so much together,
We've laughed and smiled and learned.
After such a fantastic journey,
Enjoy the summer break you've earned.
Remember to come and see me.
I would love to see you grow,
You have a lot to learn ahead...
But there is one thing you should know:
The thing that makes you wonderful,
And will shine through all you do,
Is just to be yourself,
And be proud that you are you!

You have been a fantastic class to teach this year and I will miss you all very much. Have an amazing summer and I look forward to seeing you around school in September!
