

Lancasterian Primary School Vision

We will make a fairer society.

A society where everyone can reach the top of the mountain, because all of us understand that achieving ambitions includes learning from mistakes.

A society where everyone has the skills and knowledge to open any door, because all of us break down barriers to opportunity.

A society where everyone improves the world we share, because all of us seek creative solutions to the issues we face together.

To do this, we will make the best school.

A school where every child embraces learning as a demanding lifelong journey, because all of us show them how to love challenge and growth.

A school where every child feels proud of who they are and their own uniqueness, because all of us celebrate difference.

A school where every child leaves the gate with fond memories, a creative outlook and a sense of excitement for the road ahead, because all of us have put them at the centre of everything we do.

Hello Sterling Class!

Lancasterian Primary School

My name is Miss Smiles and I
will be your new class teacher
in Year 2.

Lancasterian Primary School

Our class will be called Attenborough Class.

Our class is named after this man called David Attenborough.

He loves and respects our planet earth including all the animals we find on it.

He works really hard to share everything he learns with people by making programs like 'Plant Earth' and 'Blue Planet'.

Watch some of his shows here. You get to learn lots about animals!

I know we haven't been able to meet in person, so I wanted you to know a bit about me!

- I love riding my bike, which I know some of you like doing as well, and you might spot me riding it around school some time!
- I love reading and reading books to my class. I enjoy putting on funny voices for all the characters. My favourite book at the moment is the 'Claude' series. Do you know it?
- I really like looking at the stars and have seen some shooting stars as well. Have you seen any shooting stars?

Lancasterian Primary School

This year we will be learning about.....

The Great Fire of London

Rivers in England

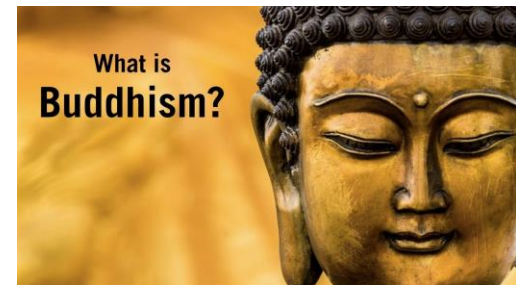

Making art with different materials

How to keep fit to look after our bodies!

Buddhism in RE

Lancasterian Primary School

I can't wait to meet you all properly in September, this is what our classroom looks like – see you there!
