

Lancasterian Primary School Vision

We will make a fairer society.

A society where everyone can reach the top of the mountain, because all of us understand that achieving ambitions includes learning from mistakes.

A society where everyone has the skills and knowledge to open any door, because all of us break down barriers to opportunity.

A society where everyone improves the world we share, because all of us seek creative solutions to the issues we face together.

To do this, we will make the best school.

A school where every child embraces learning as a demanding lifelong journey, because all of us show them how to love challenge and growth.

A school where every child feels proud of who they are and their own uniqueness, because all of us celebrate difference.

A school where every child leaves the gate with fond memories, a creative outlook and a sense of excitement for the road ahead, because all of us have put them at the centre of everything we do.
