

# Lancasterian Primary School Vision

## **We will make a fairer society.**

A society where everyone can reach the top of the mountain, because all of us understand that achieving ambitions includes learning from mistakes.

A society where everyone has the skills and knowledge to open any door, because all of us break down barriers to opportunity.

A society where everyone improves the world we share, because all of us seek creative solutions to the issues we face together.

## **To do this, we will make the best school.**

A school where every child embraces learning as a demanding lifelong journey, because all of us show them how to love challenge and growth.

A school where every child feels proud of who they are and their own uniqueness, because all of us celebrate difference.

A school where every child leaves the gate with fond memories, a creative outlook and a sense of excitement for the road ahead, because all of us have put them at the centre of everything we do.

# Hello Monger Class!

Lancasterian Primary School

My name is Ms Thompson and  
I will be your new class teacher  
in Year 1.

# Our class will be called Sterling Class.

Lancasterian Primary School

# Some facts about who our class is named after.....

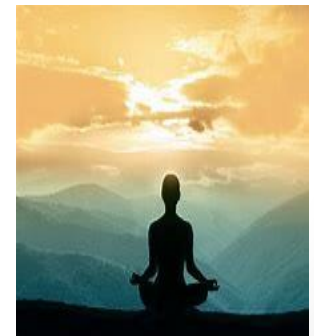

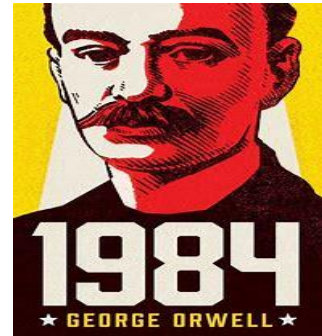

- Raheem Sterling is a young professional football player. He is an England national player, considered to be one of the best footballers in the world.
- Born in Jamaica, Sterling moved to London at the age of five and began his career at Queens Park Rangers before signing for Liverpool in 2010.
- Raheem has a lot of passion and resilience. He has worked extremely hard to become successful. Life wasn't always easy for him but he didn't let that stop him from having high aspirations!

# This year we will be learning about.....

- In maths and literacy we will be working on our basic skills – lots of number work and lots of phonics! Our skills will develop throughout the year so we will be excellent readers, writers and mathematicians!
- In science we will learn about different materials and how things are made. We will do lots experiments and observations to see how things work.
- In history we will learn about our own past and our family history. We will find out lots about ourselves and each other.
- In art we will experiment with colours and textures. We will learn about some famous artists and recreate art in their style.
- We will have lots of fun!!

Lancasterian Primary School

I can't wait to meet you all properly in September, this is what our classroom looks like – see you there!
