

# Lancasterian Primary School Vision

**We will make a fairer society.**

A society where everyone can reach the top of the mountain, because all of us understand that achieving ambitions includes learning from mistakes.

A society where everyone has the skills and knowledge to open any door, because all of us break down barriers to opportunity.

A society where everyone improves the world we share, because all of us seek creative solutions to the issues we face together.

**To do this, we will make the best school.**

A school where every child embraces learning as a demanding lifelong journey, because all of us show them how to love challenge and growth.

A school where every child feels proud of who they are and their own uniqueness, because all of us celebrate difference.

A school where every child leaves the gate with fond memories, a creative outlook and a sense of excitement for the road ahead, because all of us have put them at the centre of everything we do.

# Hello Thunberg Class!

Lancasterian Primary School

My name is Mr Crump and I  
will be your new class teacher  
in Year 6.

As Artful Dodger for  
World Book Day.

# Some facts about who our class is named after.... Greta Thunberg.

Greta Thunberg is an environmental activist. She was born in Stockholm, Sweden, in 2003. When she was eight, she started learning about climate change. The more she learned, the more baffled she became as to why so little was being done about it.

Greta has named [Rosa Parks](#), the civil rights activist, as one of her greatest inspirations. In the 1950s, Rosa sparked a civil rights movement that improved the lives and treatment of millions of African Americans.
