### November School Value of the Month: Respect

As previously mentioned, we recently ran a competition in school to come up with a new way to recognise and celebrate ambassadors of our values throughout the year.

Using the ideas from Lutfiyah, Natalie, Nusaiba and Sienna from Y6 and Nilayda from Y4, from November this year we will celebrate one value a month, with KS1/2 teachers choosing one value ambassador from each class each month (e.g. this November we will focus on Respect, with each class teacher choosing a Respect Ambassador at the end of the month).

The chosen ambassadors will all receive a values ambassador badge and a 'values bag' containing various stationery items; at the end of the six value focus months, all the ambassadors will be invited to a petting farm which we will bring into the school, where they can meet and care for various animals. A fantastic and well thought out ideas from our winners!

I respect  
a person  
who respects  
me when  
I'm not around.

### School Polling Station

Due to UK parliament agreeing to hold a December general election the school Dining hall will therefore be used as a polling station on

**12<sup>th</sup> of December 2019**

The school will be open for half a day.

This means we will be unable to provide lunch at school for the children on this day.

**Please can all parent/carers ensure you are here to pick your child at 12:30pm**

Don't forget  
parents  
evening!

### Parents Evening

Parents / Carers, will have an opportunity to come and speak to your child's class teacher on either: **Tuesday 5th November from 4pm-7pm** or **Thursday 7th November from 4pm-6pm**.

You will have already had a letter from your class teacher on a preferred time slot, please ensure you have handed this back to teachers can try to accommodate.

We have limited translators available so wherever possible please bring someone along with you who can translate.

### **THANKS: School Values Parents/Carers Coffee Morning**

Thank you to all those who attended the coffee morning on 16/10/19 to help begin developing ideas for parents and carers for our school values characters; our eventual aim is to use these to help demonstrate what our school values look like in practice when supporting our children in their learning. You came up with some fantastically helpful ideas!

I will continue to work on this with our graphic designer throughout this year, with a view to rolling them out as part of our continuously developing work around our values in September 2020.

- Paul Murphy

### **Hello from the Chair of Governors - Anne Baxendale**

Governors are a group of parents and people from the community who volunteer to support the school.

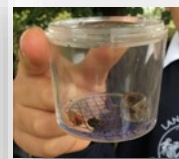

My son is in year 1 and I live nearby. We work with Mr Murphy and his team to make sure the school is being run well. This involves meeting several times a year, reading lots of papers and spending as much time as we can in the school talking to parents, staff and children.

If you're interested in becoming a governor or want to know more, have a look on the school website or get in touch on [admin@lancs-pri.haringey.sch.uk](mailto:admin@lancs-pri.haringey.sch.uk). Hopefully you will see some of us around at next week's parents' evenings - if so, do come and say hello.

### **Into University - October 2019**

As part of Into University, we learnt about *evolution*. During the week, we visited Walthamstow Wetlands and the Natural History Museum. At the Into University Centre, we learnt about a famous scientist and made posters and presentations to display our learning. We also learnt about university and the different courses available (there are over 50,000!).

To conclude the week, we graduated at Kings College London and presented our learning to our peers and family members.

### **Tuesday 13th November will be our 3rd annual ODD SOCKS DAY.**

Odd Socks Day is designed to be fun and is part of Anti-Bullying week which will take place from 11th—15th November 2019

It's an opportunity for children and adults to express themselves and celebrate what makes us unique. Children, staff and parents can wear odd socks on this day and make a voluntary contribution of £1.

All money raised will go towards the work that the Anti Bullying Alliance do to put an end to bullying. Let's all get involved for a great cause.

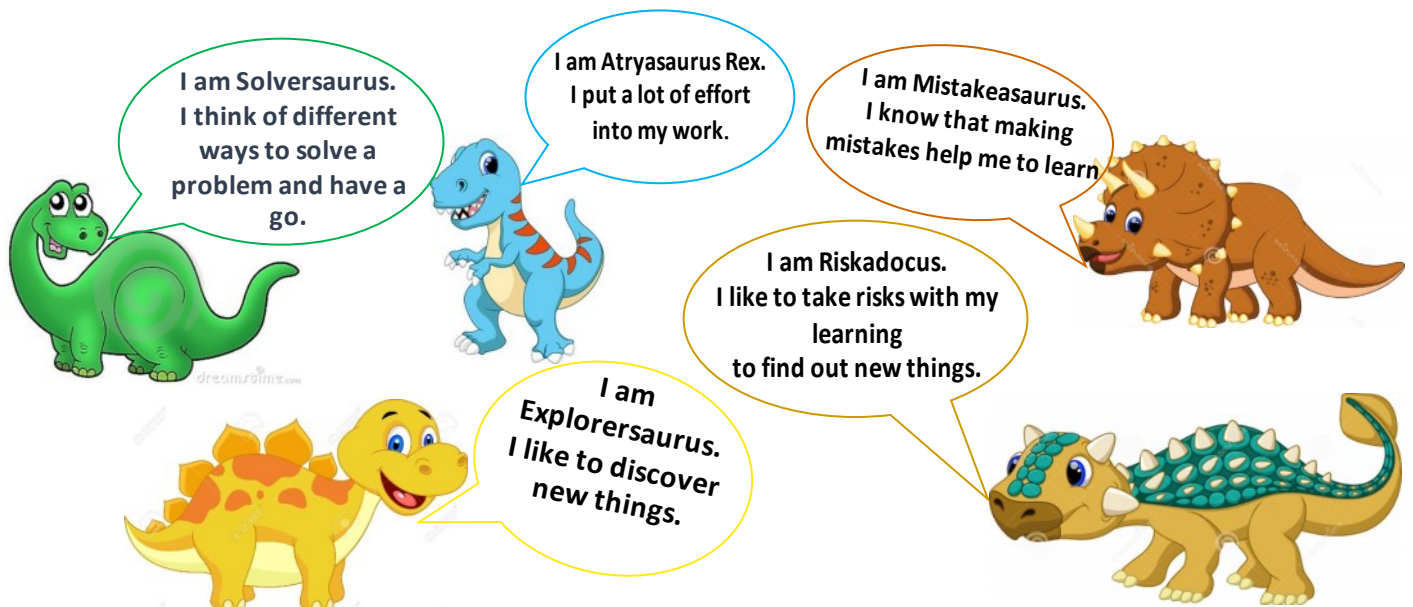

## Growth Mindset in the EYFS

This week is Dinosaur week in Nursery and Reception. The children have had a lot of fun finding out dinosaurs facts.

In the early years we use these dinosaurs to promote the Growth Mindset approach

MAYOR OF LONDON'S

The EYFS have been awarded the Healthy Early Years London First Steps and Bronze awards by the Mayor of London, Sadiq Khan.

The awards are in recognition of the hard work the early years team have made towards improving the health, wellbeing and development of children staff and families.

Well done to all members of the EYFS team!

**The deadline to apply for a primary school place is 15 January 2020**

### **Food in School Reminder**

As you know, the safety of your children is our number one priority and, as such, we have strict rules in place in relation to external food sources coming into the school. This is to ensure the safety of the increasing number of children at the school who have severe allergies. We have consulted with our school health worker, other local heads and a parent of children with severe allergies in order to devise the following measures:

- Children are only allowed to bring in non-edible party gifts/bags on their birthdays (e.g. Poundshop gifts, stationery, pens, pencils, etc.). All food gifts/cakes will be turned away/returned to the parent.
- The school will provide a list of specific items which can be brought in for end of term parties/celebrations. This will be shared with parents and will be used by staff to check items brought in; any items not on the list will be rejected.

**Healthy lunch box requirements continue, but no nuts are allowed. Please speak to your children about not swapping food with friends at school.**

We will also:

- Ensure staff don't use food as treats in class at any time.
- Ensure that staff who lead cookery lessons take specific care to ensure that they are free of possible allergens.
- Schedule a monthly mention in assemblies re. no swapping of food in the dining hall.

Raise awareness of allergy management in classes with children and teachers, including the need for staff to speak to our Welfare Officer (Veronica) immediately if a child is exposed to an allergen.

**Thank you in advance for your support with this; I am sure that you will agree that children's safety is paramount.**

### Ofsted Parent View

Parent View has been updated by Ofsted, meaning that we need new feedback from our parents/carers in order for our results to be viewable. Please could you spare 5 minutes to complete the short online survey and share your thoughts; simply Google 'Ofsted Parent View' and follow the instructions online.

Even if you have completed it before, please could you complete this again for the new academic year.

Parent View gives you the chance to tell Ofsted and us what you think about Lancasterian Primary across a range of areas, including teaching and learning, behaviour and safety. The survey can be completed at any time; you don't have to wait until the school is being inspected. All submissions are anonymous and the school can see summary data to help us know what we are doing well and what we should work on.

It also helps us to share the good news about Lancasterian Primary School with other interested parents!

## Places Available

We provide an excellent provision before school between 8:00am – 9:00am and after school between 3:30pm – 6:00pm.

The children are provided with a tasty snack and refreshments. After refreshments the children are given the opportunity to do a variety of fun and entertaining activities.

Please contact the office at [admin@lancs-pri.haringey.sch.uk](mailto:admin@lancs-pri.haringey.sch.uk) for further information.
