#### Tea With The Head Teacher

Following several lovely visits to families' homes over the last two years, Tea with the Head Teacher is starting again!

This is a chance for families to invite me for a brief informal after-school visit and cup of tea at their house in order for me to get to know the community better and you to give me some feedback about the school. Don't be shy – I won't bite!

If you would like to host a Tea with the Head Teacher then please let the office know possible dates so we can set it up.  
—Paul Murphy

This week Year 5 and 6 took part in a workshop centred about Afro-Caribbean history from Nana Asma'u Community School. The children learned about the poet, Nana Asma'u and used this inspiration to write their own poetry!

# BAME

We have invited BAME (Black, Asian and Minority Ethnic) specialist Marva Collins to review our provision for BAME pupils.

### Special Needs Transport Consultation

Haringey are holding a consultation for parents/ carers about Special Educational Needs and Disabilities (SEND) transport.

If you, like us, are concerned about the interaction between the SEND transport buses and Lancs/Vale families at the beginning and end of each day, then please do go along and express your views.

The head teacher, Paul, will attend to raise concerns but the more voices that are able to speak out, the more chance there is of changes being made.

Our hope is that the transport services may be able to either change the timing of the SEND buses so that they don't coincide with the start of the Lancs school day, or else provide someone to manage the flow of buses in and out of the car park.

## Eco School Bronze Award

Our school is proud to announce that we have achieved the 'Bronze Award' for all our work towards Eco Schools!

So far we have been involved in:

- \* A litter pick around our school environment with 'Tidy up Tottenham'.
- \* Recycling monitors that support the school in recycling class waste.
- \* Creating posters to discourage driver not to leave their car engines idling.

The Eco-Committee comprises of pupils from Key Stage 1 & Key Stage 2 and we meet on a half termly basis with Jannine Badstuber (Community Learning Leader) and Marsha Flemming (Health & Safety Governor)

The pupils are encouraged to take notes and lead the meetings.

An informal Environmental Review of the school is carried out covering all nine topics.

Results of the Environmental Review are discussed by the Eco-Committee

Following the Environmental Review, some activities are planned that will change and improve the environmental performance of the school - such as making posters to stop car engine's idling and organising litter picks.

Environmental issues are covered as part of curriculum work in most year groups across a range of subjects Involving the whole school and wider community.

We have an Eco-Board detailing all Eco-Schools activities, and are developing an Eco-Code that represents the thoughts and intentions for the school.

**We are now working towards the Silver Award and would like to invite parents to support us in the process.**

**If you like to attend our half termly meetings and help to support Eco School Activities we would like to hear from you.**
