New Y3 & Y4 Collection Time: 3:15pm

In order to improve social distancing and safety during the KS2 end of day collection time, **from Monday 14th September** Y3 and Y4 children will finish at **3:15pm**. All other collection times will remain the same, i.e.

3:15pm: Y3 & Y4

3:20pm: Reception

3:25pm: Y1 & Y2

3:30pm: Y5 & Y6

3:45pm: Nursery

Start of day times remain unchanged. Please remember to socially distance during drop-off and collection times, don't arrive at the school site too early (to avoid congregating on the street) and wear a mask if you wish to.

Thanks for your cooperation and our apologies for any inconvenience caused.

Welcome Back! 2020/21 – Regrouping, Reflecting, Restarting & Recovering

A very warm welcome back to all our children and families, many of whom we have not seen since March.

It is wonderful to see you all back safe and sound and finally things are beginning to feel a bit more like normal – at last!

We have made a fantastic start to the school year, in spite of the many changes and challenges we face as we run the school differently in order to keep the community as safe as possible. (The full Return to School Plan is available on the school website at <https://www.lancasterianprimary.co.uk/key-information/coronavirus-return-to-school-and-recovery-plan> if you wish to see the full details of the changes we have made.)

Inevitably, there will be some teething problems as we get used to the new ways of operating, but we will continue to monitor these and make any necessary amendments – keeping you informed at all times. Gerty Growth Mindset will get us through!

In the year ahead we will be working with the children to help them to recover from the challenges of the past months as well as catch up on missed learning; the curriculum has been restructured in order to do this as quickly as possible.

Please help us by ensuring that your child is in school on time every day – unless they are unwell – and by supporting them with reading, spellings, etc. at home. If you feel that your child needs additional emotional support due to loss or bereavement experienced during the pandemic then please let us know.

We will also be working on putting in place a plan for future remote education in case pupils are forced to work at home again as a result of the Coronavirus pandemic. Please help us with this by completing and returning the short survey we sent out this week in relation to home devices and internet access.

Finally, thanks again for all your support over the past months – I am proud of how we have handled this together as a community. Thanks also for your messages of appreciation, as well as the many generous gifts given to staff at the school at the end of the last school year. Knowing that you are behind us means a lot!

If your child or one of your household members has:

- a new, continuous cough; or
- a high temperature (a temperature of 38°C or more); or
- loss of, or change in, their normal sense of taste or smell;

DO NOT COME INTO SCHOOL.

Call 119 or visit:

<https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/get-a-test-to-check-if-you-have-coronavirus/>

to arrange a test and call the school to let us know.

Help us to keep the Lancasterian Community safe!

Meet the Values Families!

Last year we worked with a group of parents/carers to develop our “Values Families”, which tell the story of all our Values Characters’ parents and carers and how they demonstrate the school values as important members of the school community.

The aim of this work is to celebrate the diversity of our community, to help all of us see what the Lancasterian Primary School values mean for us and to help the children understand and appreciate the many different family models that exist in today’s society.

Thanks to all the parents/carers who attended the workshop to bring this together – way before we had even heard of Coronavirus!

We’ll be introducing our Values Families over the coming term, and I am thrilled to begin with **The Inclusion Family**...

Imari's Parents — The Inclusion Family

Imari lives with his mum and dad and they bring him to Lancasterian Primary School because they want him to be part of a diverse community.

Just like Imari they treasure their jars of different shapes and love how they come together to make wonderful results. They enjoy sharing these with others and collecting more ideas by mixing with parents/carers and families from a range of backgrounds within the school community. They encourage Imari to do the same. They believe we can be remarkable together.

Life isn't always easy for families and Imari's parents understand that each family has its own ups and downs. They warmly wrap their support and encouragement around members of the community who may be struggling. They know that together we can help and learn from each other.

Imari's dad has special binoculars. They help him to remember to be fair and see other parents' /carers' point of view when issues arise between children.

Imari's parents always remember to share their praise balloon with Imari when he includes others in his games and activities and will challenge him when he is doesn't.
