### Remote Education – Children Working from Home

We have recently updated our approach to Remote Education. This is the provision which is put in place by the school when: a class, group, small number of pupils or an individual pupil needs to self-isolate due to Coronavirus symptoms or infection; or there is a local or national lockdown requiring pupils to remain at home. Children who are at home because they are unwell are not expected to engage in remote education until they feel better.

There are two main situations in which a child at Lancasterian Primary School may need to access remote education:

i. they are **individually isolating** at home because they or a member of their household has developed Coronavirus symptoms or infection;

they are at home due to **wider isolating** of pupils because a bubble of children or the whole school has had to close as a result of confirmed cases of Coronavirus in the school, or because there is a local or national lockdown.

The school's approach to remote education is therefore outlined in a two-strand approach: **Individual Remote Education** and **Wider Remote Education**.

#### **Individual Remote Education**

Individual remote education will be provided through the resources available via **The Oak National Academy**, which caters for all primary pupils including those in the early years. The Oak National Academy provides a bank of around 10,000 free, high-quality lessons and resources combining videos, quizzes and worksheets which are available throughout 2020/21. Created by practising teachers, these cater for children from Early Years Foundation Stage to Year 6, as well as specialist lessons for students with special/additional needs. It is very easy to use. Lessons are scheduled across each term, there's no login or password, pupils can access lessons on any device, and they only need materials they can find at home.

#### **Wider Remote Education**

Wider Remote Education will be delivered through the J2e platform for key stages 1 & 2 and through the Tapestry platform for nursery and reception. Both platforms are easily and freely accessible to all staff and pupils. Teachers will deliver high quality, bespoke daily timetables of lessons following our school curriculum. These platforms also enable interaction, assessment and feedback between teachers and pupils/parents and carers.

Full of Individual and Wider Remote Education are available on our website at <https://www.lancasterianprimary.co.uk/remote-education-children-working-from-home> We will also send out this information to parents/carers if we have to send classes home due to confirmed cases. Following a whole school survey regarding home device/internet availability, additional hardware support will be provided for children whose parents/carers indicated this need. You will soon be informed by the school if you are eligible for this support.

### Reception Parents September 2020

Due to current restrictions, we will not be able to host school tours during the school day but for those parents who are interested in visiting our reception classes, I will host a Q and A session in the early years playground on the following days:

- Tuesday 13<sup>th</sup> October 4.00-4.45pm
- Tuesday 17<sup>th</sup> November 4.00-4.45pm
- Thursday 10<sup>th</sup> December 4pm-4.45pm

Please let the school admin team know  
[admin@lancs-pri.haringey.sch.uk](mailto:admin@lancs-pri.haringey.sch.uk)

if you are interested in visiting so that we can allocate you a space .  
Please note, for safety reasons:

- Spaces will be limited to a Maximum of 6 adults per group
- Children will not be able to attend.
- Face masks must be worn
- Handwashing/Hand sanitizing must occur before and after the visit
- Social distancing must be adhered to.

### Parent/Carer Face Coverings for Drop-Offs and Collections

Some parents/carers have requested that we further encourage adults dropping off and collecting children in the playground to wear a face covering.

At times, parents/carers are standing close to each other and this will add an extra layer of protection.

Citizens Advice Haringey are offering a service to support individuals and families who are currently struggling with food poverty by helping them access emergency food provisions.

If you would like their support please call **07845 013956** or send them a Whatsapp with your details, a member of the team will respond as soon as possible.

They are available on Monday, Wednesday or Friday 10am - 3pm.

### Communication with Parents/Carers

We understand that it is more challenging for parents/carers to communicate with staff at the moment, due to Coronavirus restrictions. We are working on ways to improve this, but in the meantime please remember that you are welcome to call/email the school office at anytime if you wish to speak to any member of staff.

If they are not available, the office will pass on the message to the person requested and they will get back to you as soon as they can.

Call 020 8808 8088, email [admin@lancs-pri.haringey.sch.uk](mailto:admin@lancs-pri.haringey.sch.uk) SLT members are available in the playgrounds at the beginnings and ends of days for anything urgent.
