Another Rollercoaster Year Ends!

As we come to the end of another challenging year, I wanted to say a huge thank you to staff, parents/carers and children for the resilience that they have shown during past 12 months.

In spite of all the challenges we have faced together, the children have made fantastic progress this year and this is down to the hard work undertaken both at school and at home.

Seeing the children at school every day, I know that they are happy to have spent most of the year in education with their friends; this is thanks to the fantastically supportive partnership between staff and families that we have at Lancs.

Government guidance for schools from September 2021 has been published and I will write to you towards the end of the summer holiday with details about school operations for 2021/22. We don't foresee huge changes, and are taking into account feedback from parents/carers and staff about the safety measures which they would like to keep in place in the longer term.

We will mainly be looking to expand the 'bubbles' from individual classes to year groups (meaning, for example, that the two classes in each year group will be able to mix and play together) and bubbles will no longer be routinely sent home if we have a confirmed case of COVID-19, as per the new guidance. Look out for my post in ParentHub in late August for more information.

In the meantime have a great summer, get plenty of rest, and we will see you for a (hopefully more normal) year starting Monday 6th September.

Last Day of Term – Thursday 22nd July

Please note that school closes at the following times on Thursday 22nd July.

- Nursery a.m. children: 11:45am (usual time)
- Nursery all day children: 12:45pm
- Reception: 12:30pm
- Years 1 & 2: 12:35pm
- Years 3 & 4: 12:40pm
- Years 5 & 6: 12:50pm

Summer International Travel

Following two years of disrupted learning due to pandemic, please plan any summer international travel carefully in order to ensure that your children are back in school on **Monday 6th September** for the start of term. Current restrictions and requirements to quarantine or self-isolate on return must be taken into account in order to ensure your children are available to attend school on the first day.

Contact Tracing Over The Summer Holiday

In order to assist with contact tracing over the summer break and following Department for Education guidelines:

- If your child tests positive for Coronavirus, having developed symptoms within 48 hours of last being in school, please call Mr Murphy on the school mobile 07385 709492 any day between 11am – 1pm to let him know. He will then inform other class members and staff via ParentHub that they need to isolate for 10 days.
- However, if your child tests positive for Coronavirus having developed symptoms more than 48 hours since being in school, the school should not be contacted and you should follow contact tracing instructions provided by NHS Test and Trace.

It is anticipated that no-one would need to contact the school beyond Wednesday 28th July following these guidelines and the phone will be switched off from 1pm on that day.

End of Year Class Parties

Class parties will be on the last day of term – Thursday 22nd July. Please could you send in party food donations by Monday 19th July in the morning at the latest as these will need to be set aside for 72 hours before handling, due to COVID. Any frozen items will be kept in the school freezer. Please remember that only the foods below can be accepted, and that any donations after Monday 19th July will be returned home. Following is a list of nut-free foods that children can bring into class parties.

Some of these foods also cater for other allergies, as indicated in brackets.

PLEASE NOTE: **for nursery children** this will be slightly different. Parties will be on Wednesday 21st July for both morning and afternoon children so please bring in food by Friday 16th July.

Please remember that Wednesday will be the last day for afternoon children as we close at lunchtime on Thursday.

Individual Remote Education During Isolation

Please remember that any children who are individually isolating at home because they or a member of their household has developed Coronavirus symptoms or infection should continue their learning by accessing the lessons and resources provided through The Oak National Academy, which caters for all primary pupils including those in the early years. Of course if a child is unwell they are not expected to do this.

Further information and a guide is available at <https://www.lancasterianprimary.co.uk/remote-education-children-working-from-home>

If your child is isolating at home and needs a device in order to complete their remote education then please let the office know and we will provide one.

Free School Meals when Isolating

If your child is eligible for means-tested (i.e. income/benefits related) free school meals and is isolating at home because they or a member of their household has developed Coronavirus symptoms or infection, if you would like us to supply lunch provisions through our food bank then please do let us know by calling or emailing the office.

Year 6 took part in their sports day, not letting the weather dampen their spirits.

They competed in football and hockey slalom, javelin, long jump, egg and spoon race as well as the final sprint.

Those who won the sprint were presented with the medals.

Well done for all who showed high aspirations and inclusion within their team.

A fun filled afternoon.

Hello to all parents, carers, children, and staff

For those who don't know us, the governors are a group of volunteers who help to run the school.

We wanted to say a big thank you to everyone for pulling together as a community during a tough year. It was great to see such a high number of people taking part in remote learning, despite it being so challenging for everyone. And the feedback the school has had back from surveys this year have been really positive and constructive - helping us to keep making things better.

The school recently had a glowing review by inspectors from the Haringey Education Partnership who gave positive feedback on all areas of the school and some useful tips for improvement which will feed into next year's plan.

Last autumn we had a very enthusiastic response to the parent/carer governor elections and welcomed several new governors to the team. We are looking forward to being able to meet in real life soon!

The pandemic restrictions have prevented governors from doing as much with the children and in school as we would normally like. We hope this will be easier next year but we have managed to move most of our usual activities to Zoom, with socially distanced meetings on site where appropriate. Governors have met regularly with school leaders and interviewed a selection of staff to keep an eye on their support and wellbeing. We have continued to monitor key areas like the budget, attendance figures and school policies.

If you're interested in finding out more about the governors and/or getting involved, the school office can put you in touch and one of us will be happy to chat.

We hope everyone has a fun and restful summer and we look forward to seeing you in September.

From Anne (current chair) and all the school governors.

Dear Parents/Carers,

This is the house captains letting you know that we have organised a COLOURFUL DRESS-UP DAY for the last day of term on Thursday 22nd July. Children should dress up and/or colour their hair as colourfully as possible.

The most colourful child in each class will get a special prize! Please could children taking part bring in a donation of 50p or £1.

From,

Lela, Vice House Captain
