Contact Tracing Over The Christmas Holiday

In order to assist with contact tracing over the Christmas break and following Department for Education guidelines:

- If your child tests positive for Coronavirus, having developed symptoms **within 48 hours** of last being in school, please call Mr Murphy on the school mobile **07385 709492** any day between 11am – 1pm to let him know. He will then inform other class members and staff via ParentHub that they need to isolate for 10 days.
- However, if your child tests positive for Coronavirus having developed symptoms **more than 48 hours** since being in school, the school should not be contacted and you should follow contact tracing instructions provided by NHS Test and Trace.

It is anticipated that no-one would need to contact the school beyond Christmas Eve following these guidelines and the phone will be switched off from 1pm on Thursday 24th December.

What a Term! Well Done and Thank You.

As we come to the end of what has been a challenging term due to the ongoing pandemic, I wanted to say a huge well done and thank you to all children, parents/carers, staff, volunteers and governors for everything that we have done together to keep the school open as a place of safety, education and fun for the pupils. We have all had to make adaptations to the way we do things, whether that be getting used to much more limited opportunities for mixing with friends, coping with different start and end of day times or managing complex playtime and lunch arrangements.

In particular, I want to give a huge shout-out to all the staff that have been involved in organising and delivering cover arrangements when staff have had to be away for testing and isolation. I also know that many parents have once again had to home-school, as bubbles have had to be sent home due to confirmed cases on Coronavirus. I think that by all working together in the best interests of the children, we have managed to accomplish all of this whilst maintaining a sense of positivity and safety for pupils – the school community's values of inclusion, lifelong learning, growth mindset, integrity, high aspirations and respect have all shone through!

Thanks to our continuing efforts, we have only had 4 confirmed cases of Coronavirus, resulting in 4 class bubbles being sent home to isolate across the term; whilst a certain amount of this is down to luck, we cannot underestimate the impact of good social distancing and strong hygiene & cleaning procedures. Moreover, our attendance for the term up to last Friday is at 95.2%, well above the national primary school average of 90%; this is testimony to the dedication of parents/carers and staff to our children's education and something we should be very proud of!

Whatever you are doing over the holiday, stay safe, have a lovely and well-deserved break, and we look forward to seeing you in the new year.

- Paul Murphy

Communication with Parents/Carers

We understand that it is more challenging for parents/carers to communicate with staff at the moment, due to Coronavirus restrictions.

We are working on ways to improve this, but in the meantime please remember that you are welcome to call/email the school office at anytime if you wish to speak to any member of staff.

If they are not available, the office will pass on the message to the person requested and they will get back to you as soon as they can.

Thanks for all the donations for the One Run Global.

So far we have managed to raise a whopping £125 by dedicating our playtime to running. By doing this, we have not only raised money for the cause, but always given our children a better understanding of the importance of Human Rights.

Help us Raise Free Funds for our Children's Resources

A big thank you to the parents who have joined our cause for fundraising for Lancasterian via the easy fundraising website!

If you haven't already joined and if you're buying presents for your family this Christmas, or just doing your weekly food shopping online this weekend, please follow the simple steps below.

A promotional banner for Easyfundraising. It features the Easyfundraising logo with the tagline 'feel good shopping'. Below the logo, it says 'Give more than a gift' in large red letters, followed by 'Shop online this Christmas and raise donations for free!' and the hashtag '#MoreThanAGift'. To the right of the text are three icons: a heart with 'Join', a shopping basket with 'Shop', and a coin with 'Raise'. Below the main text are several retailer logos: Amazon.co.uk, John Lewis, eBay, Expedia.co.uk, Sainsbury's, M&S, and Argos. On the right side of the banner is an illustration of three wrapped gifts.

There are over 3,000 shops and sites on board ready to make a donation, including Amazon, John Lewis, Aviva, the trainline and Sainsbury's – it doesn't cost you a penny extra!

It's as easy as 1, 2, 3...

1. Head to <https://www.easyfundraising.org.uk/causes/lancasterianprimaryschool/> and join for free.
2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping.
3. After you've checked out, that retailer will make a donation to us for no extra cost whatsoever!

There are no catches or hidden charges and the children will benefit from your donations raised as all.

We would really appreciate your support and it will make a huge difference to the children. If you have any questions come and ask in the office.
