#### Individual Remote Education During Isolation

Please remember that any children who are individually isolating at home because they or a member of their household has developed Coronavirus symptoms or infection should continue their learning by accessing the lessons and resources provided through The Oak National Academy, which caters for all primary pupils including those in the early years. Of course if a child is unwell they are not expected to do this.

Further information and a guide is available at <u>https://www.lancasterianprimary.co.uk/remote-education-children-working-from-home</u>

If your child is isolating at home and needs a device in order to complete their remote education then please let the office know and we will provide one.

#### Free School Meals when Isolating

If your child is eligible for means-tested (i.e. income/benefits related) free school meals and is isolating at home because they or a member of their household has developed Coronavirus symptoms or infection, if you would like us to supply lunch provisions through our food bank then please do let us know by calling or emailing the office.

#### Sports Week

Next week will be sports week for each class to take part in during **one** of their P.E lessons at school.

On the day the children will need to come to school dressed in P.E clothes reflecting their House Colour.

If your child is in-:

- \* Tigers they will wear blue T-Shirt,
- \* Lions will wear Yellow T-shirts
- \* Jaguar's will wear green T shirts
- \* Leopards will wear red T- shirts

Each Class/ Year group will be allocated a different day for their sports day. Teachers will let the children know which day their sports day will take place.

All children must bring water bottles, (Also Sun cream and sun hats if needed.)

Unfortunately, Parents will not be able to attend Sport Day this year due to the Government Guidelines on Corvid 19.

#### We hope that things will be back to normal by Summer 2022 so that we can all join in.

- Ms Anderson - Healthy School Lead

#### Lancasterian Heritage Day

Here is a small selection of the outfits children worn on Lancasterian Heritage Day.

We celebrated culture, heritage and traditions.

As you can see some children wore the colours that represent the countries in the world they and their family are from.

Some children wore outfits to celebrate their traditions such as wearing cricket whites because they watch cricket with parents and grandparents. We even had a Lancashire Hot Pot!

It was lovely to see so many cultures and traditions celebrated.

#### **U** UNIFORMD

Please remember we have gently-used uniform at a fraction of the price, with funds from sales going directly back to the school on Uniformd solution. You can see what is available and make purchases by visiting: <u>https://app.uniformd.co.uk/schools</u>

#### **Three Signed Football Shirts!**

To support with the Y6 leavers prom we will be hosting a raffle for the chance to win one of three <u>signed</u> UEFA 2018/19 football shirts .

#### **NSPCC Guide for Parents**

The NSPCC have created A guide to help parents and carers decide whether their child is ready to either stay at home or go out alone. The guide provides practical tips and advice to help parents and carers decide what is best for their child when it comes to staying home alone or going out alone.

It covers some of the risks parents should consider before making a decision, such as how their child feels about the idea and who they should contact in an emergency.

There is also a checklist for parents and children to work through together to help them prepare for different types of scenarios. This includes questions about what to do if there is an accident at home or they are approached by a stranger outside.

To access the guide please type

NatCen Social Research is inviting you to express an interest in taking part in the Family FoodExperience Study.

They are looking for families with primary school aged children (aged 4–11 years old) to take part in this study to help them understand family food environments and children's eating habits.

They will interview one adult in your household and will also take the height and weight measurements of one primary school aged child in your household.

#### As a thank you for taking part, you will receive a £30 shopping voucher.

You can register your interest using this link: <u>Suvey.natcen.ac.uk/FFE21</u>

### Family Food Experience Study

NatCen Social Research is inviting you to express an interest in taking part in the Family Food Experience study that we are conducting on behalf of City, University of London.

#### What are we looking for?

We are looking for families with primary school aged children (aged 4–11 years old) to take part in this study to help us understand family food environments and children's eating habits. We would like one adult in your household to complete an interview and we will also take the height and weight measurements of one primary school aged child in your household.

#### What happens if I am selected to take part?

If you register your interest and are selected to take part, you will receive a letter in the post in the next few months. An interviewer from NatCen Social Research will then contact you to arrange a convenient time for you to complete the interview. You can choose whether they visit you at home or call you to complete the interview over the phone.

This visit or call will last approximately 60–80 minutes during which the interviewer will ask you some questions about your family environment, your child's eating habits and their preferred foods. The interviewer will also measure, or ask you to measure, the height and weight of your primary school aged child.

We are working in line with the Government guidance to minimise the risk of COVID-19 transmission and ensure that we keep you and our interviewers safe.

#### Why should I take part?

By taking part, you will help Local Authorities, policy makers and charities understand how and what the younger generation are eating and provide vital information to help create a healthier nation. This information will be used by the Government and Local Authorities to improve our health.

#### Who is carrying out the survey?

City, University of London has asked NatCen Social Research to carry out the survey, with funding from the National Institute for Health Research (NIHR). NatCen is Britain's largest independent social research agency. To find out more you can visit **natcen.ac.uk**.

#### Do I get anything for taking part?

As a thank you for taking part, when you complete the interview (including your child's measurements being taken) you will receive a **£30 shopping voucher** that can be used in a wide range of high-street and online shops.

#### How can I register?

#### To register your interest in this study please visit

If you prefer, you can also call on Freephone 0800 652 4568.

When you register, we ask

#### that you please provide:

- the name of the school your child(ren) attends
- your name
- your address, telephone number, email address
- the sex, age and ethnicity of the primary school aged children in your household.

For more information please visit www.natcen.ac.uk/familyfood. We hope you are willing to take part in this vital research and thank you for your time.
