PE Kits Y1 – Y6

In order to help children and staff maintain social distancing in school, from now onwards children may attend school in a relaxed uniform on their PE days so that they don't have to change in classrooms. This means that they can swap their trousers or skirts for jogging bottoms or shorts.

The relaxed uniform therefore involves a polo shirt and jumper as usual with jogging bottoms or shorts and trainers. PE days are as follows:

Y1: Tuesdays (Y1 also have outdoor access at all times, but relaxed uniform on Tuesdays only please)

Y2: Tuesdays and Thursdays

Y3: Mondays and Wednesdays

Y4: Tuesdays and Wednesdays

Y5: Wednesdays and Fridays

Y6: Tuesdays and Thursdays

Nursery and Reception will begin more formal PE lessons next half term and will be in touch with more information at that point.

Meet Jessie Stevens MBE

Jesse Stevens is a community leader and volunteer. Ms Stevens is an active member of the West Indian Cultural Centre and received an MBE for her work in the Haringey community during the 1970s and 1980s. Her work involved being on the Police Liaison Committee.

"I got involved in the 1970s when we were having all the problems with the youth and the police. So, it was decided we form this Police Liaison Committee.

The trouble first started at dances in clubs. Whenever the kids left the club at night there would be trouble between the police and the boys. So, you find most of us - whatever time we knew the club ended - we used to go up there and see that they were not harassed and arrested by the police. Through the liaison group it was our young people we were trying to

As part of their Black British History, Celebrations our Nursery class have been looking at the work of the artist, Sir Frank Bowling.

With guidance from our amazing Nursery team, this is some of the wonderful artwork that the children produced using Sir Frank's work as inspiration.

They put oil in water then with pipettes then added different coloured inks.

Once they dropped the ink in, they took a relief with another piece of paper.

The children were fascinated by the process and work they produced.

Excellent work

Halloween!!

What will Halloween be like this year?

Halloween might be a bit different this year due to Covid but there is an answer!!

Just like we did with the Rainbows in our windows, if we all paint, draw etc. a pumpkin and put this in our window the children can do a Pumpkin hunt in their local area.

For every Pumpkin that they find the parent or adult can then put a sweet in to the children's bag. The children can dress up in their costumes and still collect the sweets

This way we can all keep safe, keep our distance and still enjoy Trick or Treating.

Let's get making those Pumpkins!!!
