### Vice House Captain Elections

Well done to all the year 5 children who demonstrated our values of lifelong learning, growth mindset and high aspirations in putting themselves forward for the vice house captain election this year. Each candidate presented a manifesto in assembly and then the key stage 2 children voted. The results are below, but all the candidates are winners for having the courage and commitment to put themselves forward.

The new vice house captains will join last year's vice house captains – now house captains – to work to improve the school throughout the year.

- \* Lions Vice House Captain: Aiden
- \* Tigers Vice House Captain: Dominik
- \* Leopards Vice House Captain: Miki
- \* Jaguars Vice House Captain: Sofia

#### LIONS

#### TIGERS

#### LEOPARDS

#### JAGUARS

### Parent Governor Thanks

A huge thanks to Kerry Duggan, mother of Freddie and Agnes, who has stepped down as a parent governor as the family have moved away from the area. Kerry made a huge contribution to the governing body, including acting as chair during her time at the school.

Her insights and support will be greatly missed – best of luck with your new life outside London, Kerry and family!

### Imari Inclusion Dress-Up Day

On the last day of term – Friday 22<sup>nd</sup> October – following suggestions from the house captains we will have an ‘Imari Inclusion’ dress-up day for children and staff in years 1 - 6.

This will also coincide with our announcement of the Inclusion Ambassadors in assembly.

We can't wait to see the creative interpretations of Imari's look (below)!

### KS1/2 Imari Inclusion Drawing Competition

The house captains are running an Imari Inclusion Drawing Competition this half term for children in Y1 – 6.

Children who would like to enter should draw their best possible version of Imari and can picture him doing anything they like – as long as he is showing inclusion of others.

All entries to teachers by Friday 15<sup>th</sup> October with children's names on them please. The house captains will choose 3 winners – Y1/2, Y3/4 and Y5/6 – who will each receive a prize.

Good luck!

### Early years Learning Dinosaur Dress-Up Day

On the last week of half term we are having a dinosaur week in the early years (nursery and reception).

On Friday 22<sup>nd</sup> October – we will have an ‘learning dinosaur’ dress-up day for children and staff at the school.

We ask that your child comes to school dressed in the colour of a dinosaur of their choice. Here are our learning dinosaurs for you to choose from.

## Revisiting the Values Families

This week it's your chance to re-connect with the Integrity Family...

### Ignacio's Carers — The Integrity Family

Ignacio lives with his foster carers and they bring him to Lancasterian Primary School because they want him to understand the importance of doing the right thing.

Just like Ignacio they are honest through and through, from the top of their ears to the tip of their tails. They tell the truth when working with the school to sort out problems.

They are dependable members of our school community and bring Ignacio to school on time, every day, unless he is too ill to come in.

We all make mistakes in our behaviour occasionally and Ignacio's carers always model saying sorry when they make mistakes so that Ignacio is encouraged to do the same. They wave their tails to remind him of this powerful word.

Their strong and sturdy legs do not allow others' negativity sway or influence their relationship with the school. They choose what they THINK, FEEL, SAY and DO for themselves.

Ignacio's carers always remember to share their praise balloon with Ignacio when he is true to his values. They challenge him when he is not.

### Remote Education Expectations

For children who are isolating with Coronavirus (or Coronavirus symptoms) but feel well, please remember that they must complete remote education online using the resources available via The Oak National Academy, which caters for all primary pupils including those in the early years and with special needs.

The Oak National Academy provides a bank of around 10,000 free, high-quality lessons and resources combining videos, quizzes and worksheets.

from-home](https://www.lancasterianprimary.co.uk/remote-education-children-working-from-home)

If your child requires a device to complete this work then please let the school know and we will provide one.

### Coronavirus 10 Day Isolation Reminder

Please remember that if your child tests positive for Coronavirus then they must isolate at home for at least 10 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste.

The 10 day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal.

If your child has symptoms of Coronavirus (cough, temperature or change in sense of taste/smell) but you choose **not** to take them for a test, then the same 10 day isolation period from when they first had symptoms applies.

Please let's work together to keep infection rates in the school to an absolute minimum.
