All children (defined as those up to the age of 18) have a right to be heard and to have their wishes and feelings taken into account and all children regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection.
  - Lancasterian Primary School recognises the importance of providing an ethos and environment within school that will help children to be safe and feel safe. In our school, children are respected and encouraged to talk openly. All our staff understand safe professional practice and adhere to our safeguarding policies.

  - Act as the central contact point for all staff to discuss any safeguarding concerns

## 8. RECOGNISING INDICATORS OF ABUSE AND NEGLECT

- All staff in school are made aware of the definitions and indicators of abuse and neglect as identified by Working Together to Safeguard Children (2018) and Keeping Children Safe in Education 2020.
- Lancasterian Primary School recognise that when assessing whether a child may be suffering actual or potential harm there are four categories of abuse:
  - Physical abuse
  - Sexual abuse
  - Emotional abuse
  - Neglect

For further information see Appendix 1.

- All members of staff are expected to be aware of and follow this approach if they are concerned about a child:
-

‘What to do if you are worried a child is being abused’ 2015

- Members of staff are aware that concerns may arise in many different contexts and can vary greatly in terms of their nature and seriousness. The indicators of child abuse and neglect can vary from child to child. Children develop and mature at different rates, so what appears to be worrying behaviour for a younger child might be normal for an older child.
- It is important to recognise that indicators of abuse and neglect do not automatically mean a child is being abused however all concerns should be taken seriously and explored by the DSL on a case-by-case basis.
- Parental behaviors’ may also indicate child abuse or neglect, so staff should also be alert to parent-child interactions or concerning parental behaviours; this could include parents who are under the influence of drugs or alcohol or if there is a sudden change in their mental health.
- Safeguarding incidents and/or behaviours can be associated with factors outside the school and/or can occur between children offsite. Children can be are at risk of abuse or exploitation in situations outside their families. Extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence.
- By understanding the indicators or abuse and neglect, we can respond to problems as early as possible and provide the right support and services for the child and their family.

## 9. CHILD PROTECTION PROCEDURES

- Lancasterian Primary School recognises that some children have additional or complex needs and may require access to intensive or specialist services to support them.
- Lancasterian Primary School adheres to the Haringey Safeguarding Children multi-agency partnership procedures (Haringey LA). The full Haringey LA procedures and additional guidance relating to specific safeguarding issues can be found on their website: <https://haringeyscp.org.uk/>

- All staff are aware of the process for making request for support referrals for statutory assessments under the Children Act 1989, along with the role they might be expected to play in such assessments.
- Lancasterian Primary School recognise that in situations where there are immediate child protection concerns identified in line with Support Level Guidance, it is NOT to investigate as a single agency but to act in line with Haringey LA guidance which may involve multi-agency decision making.
- If a child is in immediate danger or is at risk of harm, a request for support should be made immediately to Integrated Children's Services (Haringey's Safeguarding Team) and/or the police in line with Haringey LA procedures.
- The DSL may seek advice or guidance from their Area Education Safeguarding Advisor from the Education Safeguarding Service before deciding next steps. They may also seek advice or guidance from a social worker at the Haringey's Safeguarding Team service who are the first point of contact for Integrated Children's Services (ICS).
- In the event of a request for support to the Haringey's Safeguarding Team being necessary, parents/carers will be informed and consent to this will be sought by the DSL in line with guidance provided by Haringey LA.
  - Parents/carers will be informed unless there is a valid reason not to do so, for example, if to do so would put a child at risk of harm or would undermine a criminal investigation.
- If the DSL is not immediately available to discuss an urgent concern, staff can seek advice from the Deputy DSL. They may also seek advice from the LADO or via consultation with a social worker from the Haringey's Safeguarding Team. If anyone other than the DSL makes a referral to external services, they will inform the DSL as soon as possible.
- The DSL will keep all early help cases under constant review and consideration will be given to a request for support to the Haringey's Safeguarding Team if the situation does not appear to be improving or is getting worse.
- If, after a request for support or any other planned external intervention, a child's situation does not appear to be improving, the DSL will ensure their concerns have been addressed and, most importantly, that the child's situation improves. DSLs may request support with this via the Education Safeguarding Service.

## **10. RECORD KEEPING**

- All safeguarding concerns, discussions and decisions, and reasons for those decisions, will be recorded in writing on the school safeguarding online monitoring system CPOMS and passed immediately to the DSL. A body map will be completed if injuries have been observed.
    - If members of staff are in any doubt about recording requirements, they should discuss their concerns with the DSL.
  - Records will be, completed as soon as possible after the incident/event, using the child's words and will be signed and dated by the member of staff. If there is an immediate concern the member of staff should consult with a DSL before completing the form as reporting urgent concerns takes priority.
  - Safeguarding records are kept for individual children and are maintained separately from all other records relating to the child in the school. Safeguarding records are kept in
-

accordance with data protection legislation and are retained centrally and securely by the DSL. Safeguarding records are shared with staff on a 'need to know' basis only.

- All safeguarding records will be transferred in accordance with data protection legislation to the child's subsequent school, under confidential and separate cover. These will be given to the new DSL and a receipt of delivery will be, obtained.

  - physical abuse which can include hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm
  - sexual violence and sexual harassment
  - 'upskirting', which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm
  - sexting (also known as youth produced sexual imagery)
  - initiation/hazing type violence and rituals.
- Lancasterian Primary School recognises youth produced sexual imagery (also known as "sexting") as a safeguarding issue; all concerns will be reported to and dealt with by the DSL (or deputy DSL).
  - We will follow the advice as set out in the non-statutory UKCIS guidance: ['Sexting in schools and colleges: responding to incidents and safeguarding young people'](#) and the local guidance.
- When responding to concerns relating to child on child sexual violence or harassment, school will follow guidance outlined in part five of KCSIE 2020 and ['Sexual Violence and Sexual Harassment Between Children in Schools and Colleges'](#).
- Staff and leadership are mindful that some peer on peer abuse issues may be affected by gender, age, ability and culture of those involved.
- All allegations of peer on peer abuse will be recorded, investigated, and dealt with in line with associated school policies, including child protection, anti-bullying and behaviour.
- Alleged victims, perpetrators and any other child affected by peer on peer abuse will be supported by:
  - providing pastoral support to both the victim and perpetrator
  - working with parents/carers
  - in cases of sexual assault, informing the police and/or Haringey's Safeguarding Team.

## 21. GANGS, COUNTY LINES, SERIOUS VIOLENCE, CRIME AND EXPLOITATION

- Lancasterian Primary School recognises the impact of gangs, county lines, serious violence, crime and exploitation. It is recognised that the initial response to child victims is important
-

and that staff will take any allegation seriously and work in ways that support children and keep them safe.

- All staff have been trained and recognise the need to be vigilant for the signs that may include, but not exclusively:
  - Unexplained gifts/new possessions – these can indicate children have been approached by/involved with individuals associated with criminal networks/gangs.
  - Children who go missing for periods of time or regularly come home late
  - Children who regularly miss school or education or do not take part in education
  - Change in friendships/relationships with others/groups
  - Children who associate with other young people involved in exploitation
  - Children who suffer from changes in emotional well-being
  - Significant decline in performance
  - Signs of self-harm/significant change in wellbeing
  - Signs of assault/unexplained injuries

## **22. MENTAL HEALTH**

- All staff will be made aware that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation. Staff are aware of how children's experiences, can impact on their mental health, behaviour and education.
- Staff are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.
- If staff have a mental health concern about a child that is also a safeguarding concern, immediate action should be taken by speaking to the DSL or a deputy.

## **23. ONLINE SAFETY**

- It is recognised by Lancasterian Primary School that the use of technology presents challenges and risks to children and adults both inside and outside of school. Lancasterian Primary School will empower, protect and educate the community in their use of technology and establish mechanisms to identify, intervene in, and escalate any incident where appropriate.
  - Lancasterian Primary School identifies that the breadth of issues classified within online safety is considerable, but can be categorised into three areas of risk:
    - content: being exposed to illegal, inappropriate or harmful material; for example, pornography, fake news, racist or radical and extremist views;
    - contact: being subjected to harmful online interaction with other users; for example, commercial advertising as well as adults posing as children or young adults; and
    - conduct: personal online behaviour that increases the likelihood of, or causes, harm; for example, making, sending and receiving explicit images, or online bullying.
  - The DSL has overall responsibility for online safeguarding within the school but will liaise as necessary with other members of staff.
  - Lancasterian Primary School uses a wide range of technology. This includes computers, laptops, tablets and other digital devices, the internet, learning platforms, intranet and email systems.
-

- All School owned devices and systems will be used in accordance with our acceptable use policies and with appropriate safety and security measures in place.
  - Lancasterian Primary School recognises the specific risks that can be posed by mobile technology, including mobile phones and cameras. In accordance with KCSIE 2020 and EYFS 2017 has appropriate policies in place that are shared and understood by all members of the community.
    - Further information reading the specific approaches relating to this can be found in our acceptable use policy.
  - Lancasterian Primary School will do all we reasonably can to limit children's exposure to online risks through our school IT systems and will ensure that appropriate filtering and monitoring systems are in place.
    - If learners or staff discover unsuitable sites or material, they are required to: turn off monitor/screen, report the concern immediately to a member of staff, the ICT lead will report the URL of the site to technical staff
    - All users will be informed that use of our systems can be monitored, and that monitoring will be in line with data protection, human rights and privacy legislation.
    - Filtering breaches or concerns identified through our monitoring approaches will be recorded and reported to the DSL as appropriate.
    - Any access to material believed to be illegal will be reported immediately to the appropriate agencies, such as the [Internet Watch Foundation](#) and the police.
    - When implementing appropriate filtering and monitoring, Lancasterian Primary School will ensure that "over blocking" does not lead to unreasonable restrictions as to what children can be taught with regards to online teaching and safeguarding.
  - Lancasterian Primary School acknowledges that whilst filtering and monitoring is an important part of school online safety responsibilities, it is only one part of our approach to online safety.
    - Learners will use appropriate search tools, apps and online resources as identified following an informed risk assessment.
    - Learners internet use will be supervised by staff according to their age and ability.
    - Learners will be directed to use age appropriate online resources and tools by staff.
  - Lancasterian Primary School will ensure a comprehensive whole school curriculum response is in place to enable all learners to learn about and manage online risks effectively as part of providing a broad and balanced curriculum.
  - Lancasterian Primary School will build a partnership approach to online safety and will support parents/carers to become aware and alert by:
    - providing information on our school website and other communication channels such as newsletters
    - offering specific online safety events for parents/carers
    - highlighting online safety at existing parent events
  - Lancasterian Primary School will ensure that online safety training for all staff is integrated, aligned and considered as part of our overarching safeguarding approach.
  - The DSL will respond to online safety concerns in line with the child protection and other associated policies such as anti-bullying and behaviour.
-

- Internal sanctions and/or support will be implemented as appropriate.
- Where necessary, concerns will be escalated and reported to relevant partner agencies in line with local policies and procedures.

**Where children are asked to learn online at home in response to a full or partial closure:**

- Lancasterian Primary School will ensure any remote sharing of information, communication and use of online learning tools and systems will be in line with privacy and data protection requirements.
- All communication with learners and parents/carers will take place using school provided or approved communication channels; for example, school provided email accounts and phone numbers and/or agreed systems e.g. Google Classroom, Microsoft 365 or equivalent.
  - Any pre-existing relationships or situations which mean this cannot be complied with will be discussed with the DSL.
- Staff and learners will engage with remote teaching and learning in line with existing behaviour principles as set out in our school code of conduct and Acceptable Use Policies.
- Staff and learners will be encouraged to report issues experienced at home and concerns will be responded to in line with our child protection and other relevant policies.
- When delivering remote learning, staff will follow our Remote Learning Acceptable Use Policy (AUP)
- Parents/carers will be made aware of what their children are being asked to do online, including the sites they will be asked to access. Lancasterian Primary School will continue to be clear who from the school their child is going to be interacting with online.
- Parents/carers will be encouraged to ensure children are appropriately supervised online and that appropriate parent controls are implemented at home.

**24. CURRICULUM AND STAYING SAFE**

- Lancasterian Primary School will ensure that children are taught about safeguarding, including online safety, as part of providing a broad and balanced curriculum.
    - We recognise that schools play an essential role in helping children to understand and identify the parameters of what is appropriate child and adult behaviour; what is 'safe'; to recognise when they and others close to them are not safe; and how to seek advice and support when they are concerned.
  - Our curriculum provides opportunities for increasing self-awareness, self-esteem, social and emotional understanding, assertiveness and decision making so that learners have a range of age appropriate contacts and strategies to ensure their own protection and that of others.
  - Lancasterian Primary School is aware of the most recent communication from the DfE on the mandatory implementation of Relationships Education, Relationships and Sex and Health Education and will ensure that this is embedded into the curriculum.
  - Our school systems support children to talk to a range of staff. Children will be listened to and heard, and their concerns will be taken seriously and acted upon as appropriate.
-

## 25. SECURITY

- All members of staff have a responsibility for maintaining awareness of buildings and grounds security and for reporting concerns that may come to light. Staff will be expected to adhere to any safety arrangements implemented because of Covid-19 restrictions.
- Appropriate checks will be undertaken in respect of visitors and volunteers coming into school as outlined within guidance. Visitors will be expected to, sign in and out via the office visitors log and to display a visitor's badge whilst on site. Visitors will be expected to adhere to any safety arrangements implemented because of Covid-19 restrictions.
- Any individual who is not known or identifiable on site should be challenged for clarification and reassurance.
- The school will not accept the behaviour of any individual (parent or other) that threatens school security or leads others (child or adult) to feel unsafe. Such behaviour will be treated as a serious concern and may result in a decision to refuse access for that individual to the school site.

## 26. LOCAL SUPPORT

- All members of staff in Lancasterian Primary School are made aware of local support available.

## Appendix 1: Categories of Abuse

**All staff should be aware that abuse, neglect and safeguarding issues are rarely standalone events that can be covered by one definition or label. In most cases multiple issues will overlap with one another.**

**Abuse:** a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. They may be abused by an adult or adults or another child or children. It should be noted that abuse can be carried out both on and offline and be perpetrated by men, women and children.

**Sexual abuse:** involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

### Signs that MAY INDICATE Sexual Abuse

- Sudden changes in behaviour and performance
- Displays of affection which are sexual and age inappropriate
- Self-harm, self-mutilation or attempts at suicide
- Alluding to secrets which they cannot reveal
- Tendency to cling or need constant reassurance
- Regression to younger behaviour for example thumb sucking, playing with discarded toys, acting like a baby
- Distrust of familiar adults e.g. anxiety of being left with relatives, a childminder or lodger
- Unexplained gifts or money
- Depression and withdrawal
- Fear of undressing for PE
- Sexually transmitted disease
- Fire setting

**Physical abuse:** a form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

### Signs that MAY INDICATE physical abuse

- Bruises and abrasions around the face
  - Damage or injury around the mouth
  - Bi-lateral injuries such as two bruised eyes
  - Bruising to soft area of the face such as the cheeks
-

- Fingertip bruising to the front or back of torso
- Bite marks
- Burns or scalds (unusual patterns and spread of injuries)
- Deep contact burns such as cigarette burns
- Injuries suggesting beatings (strap marks, welts)
- Covering arms and legs even when hot
- Aggressive behaviour or severe temper outbursts.
- Injuries need to be accounted for. Inadequate, inconsistent or excessively plausible explanations or a delay in seeking treatment should signal concern.

**Emotional abuse:** the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

#### **Signs that MAY INDICATE emotional abuse**

- Over reaction to mistakes
- Lack of self-confidence/esteem
- Sudden speech disorders
- Self-harming
- Eating Disorders
- Extremes of passivity and/or aggression
- Compulsive stealing

- Unwillingness or inability to play
- Excessive need for approval, attention and affection

**Neglect:** the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.
